

**Town of Appleton
Bid Notice**

The Town of Appleton requests proposals for the remediation and repair of portions of the gravel-surfaced Peasetown Road, as specified by the Federal Emergency Management Agency, to include ditching, surface replacement and other required actions generally consistent with the repair of gravel roadbeds. Project and bid specifications are available by calling the Appleton Town Office and will be available by Wednesday, May 7, at 9 a.m., and can be sent via email. Sealed bids for "Peasetown Road" must be received by May 13th, 6:30 p.m., at the Appleton Town office. The Town of Appleton reserves the right to reject any and all bids; contractors must show proof of workers compensation and liability insurance.
