

May 15, 2018

1. Convene, 7 p.m. (Fenner Gushee, Beckett, Costigan)
2. Reminder: Meetings are recorded.
3. Motion to approve minutes of May 8, 2018, Beckett. Second, Gushee. Unanimous.
4. Office copier: Beckett, motion to approve purchase order for lease of office copier/fax. Second, Gushee. 3-1/Costigan.
5. Road Commissioner: Traffic Logic will assist Beckett in a phone conversation to fix speed sign.
6. Code Enforcement Officer: Noted, "Things are changing and are coming back to bite the towns. Household trash is becoming a problem." CEO didn't cite state statute. Continued to say ordinance for junk cars is not enforced and campers added as rooms for more than 150 days or more need to be taxed as a home and need a septic or gray water system. He did not provide address and also indicated he was talking about other towns at times. Board advised notifying board of infractions. CEO complained building permit does not call for a site review and does not indicate locations of wells, septic, etc. Was read the pertinent part of the ordinance and was told a printed copy of the ordinance would be put on his desk tonight to supplement the large code binder that contains all town ordinances.
7. Spirit of America award nominations due.

8. Department of Conservation wants permission to survey town-owned parcels with special natural features. Also requested permission for lots not owned by the town but erroneously cited as town lots.
9. Motion to adjourn, Gushee. Second, Fenner. Unanimous. 7:58 p.m.
