

Appleton Select Board
January 8, 2019

1. Convene, 7 p.m. (Wyman, Fenner, Beckett, Costigan)

2. Reminder: Meetings are recorded.

3. Motion to approve minutes of December 28, 2018, Fenner. Wyman: Second. 3-0-1/Costigan, absence.

4. Select Board: Fenner: Board needs to meet with Colin Clark from Department of Environmental Protection regarding shoreland protection zones and differences between town map and town-approved map.

Need to clarify zones and DEP status. (Approved shoreland and natural resource protection map.)
Attested copy may not match DEP map.

Tax Map Updates: Fenner: John Giles no longer with digital mapping company. Awaiting name of new contact.

Ambulance update: Fenner to meet with regional ambulance/Feyler next week.

Marijuana Growing Ordinance? Beckett inquired if the town and planning board should review ordinances regarding growing operations.

Wyman and Feyler still looking at broadband for Burketville.

Comprehensive Plan Update: The Free Press reported the call for committee members (12/20) and The Camden Herald followed up with a call; uncertain of publication date.

5. Road Commissioner: Sand supply is taking a hit with the icy weather. Brushcutting taking place on Collinstown Road. Tree cutting on Peabody Road in the coming week. Fenner: Purchase Order for \$3,000 for Collinstown Cutting. Beckett: Second. Unanimous. Chips get blown into the woods. Army Corps of Engineer permitting for Barker Flats on hold until Feb.

6. Adjourn, 7:50 p.m. Wyman: Motion. Beckett: Second. Unanimous.

5.
