

APPLETON PLANNING BOARD  
Monthly Meeting Minutes  
JULY 8, 2019

Attending: David Kelley, Bill Kasabuski, Ed Carroll, Gary Roberts

Reviewed, corrected, and approved minutes from last month's meeting.

Ed has updated the Shoreland Zoning Map to be delivered to the Town Clerk to be attested.

There is an effort in progress to find an original digital version of the Shoreland Zoning Map to make it available for overlay on other Town maps.

The Board needs to elect officers for the coming year. By consensus, the Board agreed to wait out August meeting to elect officers.

Brief discussion of potential projects for the coming year:

- Investigate changes to the State's subdivision rules?
- Develop a Zoning Plan for inclusion in the Town's Comprehensive Plan?
