9. High School Busing Fenner: Still generally concerned about the bus traveling on that road. Would like to draft a letter to the CSD board and CSD superintendent, signed by board and road commissioner and potentially school board. Recognize the bus can travel, don't think it should due to the bad intersection and it's a large, long vehicle through the woods. Historically the town has never had a school bus travel on that road. General agreement among board to draft letter to CSD.
10. Road Commissioner: Rain and windstorm didn't cause erosion or major limb damage. Unclogged Pettengill and Harriet Brook . Tree on Gurneytown Road on the telephone line.
11. Trimming riverside park and limbing will begin next week.
12. Fenner: Motion to adjourn to executive session, 7:34 p.m., to consider the Wentworth Fund. Garrigan: Second. Unanimous.
13. Return to regular session 8:15 p.m. Garrigan: Motion to approve using monies from the Wentworth Fund to remedy a health hazzad. Costigan: Second. Unanimous.
14. Adjourn.
