

APPLETON PLANNING BOARD  
Monthly Meeting Minutes  
April 11, 2022

Attending: Ed Carroll, Gary Roberts, David Kelley

Reviewed and accepted minutes from last meeting.

Discussed Site Plan Review amendment proposals.

-Ed will consult with the Select Board to consider scheduling a Public Meeting in advance of the Town Meeting.

-The Board voted unanimously to approve the proposed amendments and to advance them to the town for consideration and approval.

Resident Kyle Bergey, who operates a small auto repair business in town, came to the meeting to ask about the process involved in seeking approval to expand his business, possibly adding a new building. He was referred to the Site Plan Review Ordinance for guidance and encouraged to develop a proposal with as much specifics as possible to facilitate the review process when he is ready. This project may be a year or more in the future.

Meeting adjourned.
