

**Town of Appleton  
Bid Notice**

The Town of Appleton is soliciting bids for the removal of approximately 47 trees and stumps along Town Hill Road in preparation for ditching and repaving. All marked trees are required to be removed and stumps ground to below grade to facilitate ditching. Sealed bids must be received by 6:30 PM, Tuesday November 5, 2024, and include proof of insurance and worker's compensation. Work must be completed by March 1, 2025. For a complete bid package, please contact the Appleton Town Office at 207-785-4722; or contact project engineer Lynn Frazier, James W. Sewall Company, 207-827-4456.

**Bid Specifications:**

Tree removal divides Town Hill Road into three sections, Western, Central and Eastern, with the bulk of removal slated for the Central section.

Western: Remove two trees and stumps approximately 1,120' east of the intersection with Appleton Ridge Road within the southern ditch line. Approximate quantity: 2 units.

Central: Remove 28 trees and stumps, and 8 additional stumps within the proposed ditching area. Approximate stump removal: 36 units. Approximate tree removal: 28 units.

Eastern: Remove 9 trees and stumps within the proposed ditch area. Approximate quantity: 9 units.

Precise information, tree by tree, as of last spring, as documented in a Google Earth file (127 MB) available from the Town Office.
