**YES 299      NO 89**

**ARTICLE 27:** Shall the Town vote to authorize the Select Board to establish a Revaluation Reserve Fund?

*Select Board Note: Property sales exceeding assessed value in 2022 suggest the future need for a revaluation. The Town Assessor's Agent has recommended the Town begin to plan for revaluation, which can cost as much as \$130,000. Creating a Revaluation Reserve allows the town to plan for the expense, as opposed to raising all at once. Amounts will be appropriated during town meetings.*

**YES 249      NO 120**

**ARTICLE 28:** Shall the Town authorize the Select Board to sell, via a licensed broker, Map 8 Lot 15, half the town-owned land known collectively as the Grover McLaughlin Lot, containing a total of 17 acres, with sale proceeds going to Revaluation Reserve Fund, if approved, or into Undesignated Fund Balance if a Revaluation Reserve Fund is not approved?

*Select Board Note: The land currently does not yield tax revenue; timber harvest in the nearby Midcoast Lot within the past 5 years yielded \$2,700 for the Town and this warrant asks permission to harvest prior to sale. The anticipated asking price of each lot is \$55,000; if a \$200,000 home was built, annual tax assessment for land and building is estimated to begin at \$3,000 per lot created. This lot has 800 feet of road frontage, making it possible to become as many as five individual lots with road frontage of 150 feet per lot, per the town's Building Ordinance. If approved by voters, it is the Board's intention a committee will be formed to review potential multiple lots and the sale will ultimately help defray the cost of a revaluation, which the Town last completed more than 15 years ago.*

**ARTICLE 29:** Shall the Town authorize the Select Board to harvest timber on town-owned land known as the Grover McLaughlin Lot (Map 8, Lot 5 and Map 8, Lot 15)?

**YES 292                      NO 89**

**ARTICLE 32:** Shall the Town vote to authorize the Board of Selectmen to use the proceeds of any payment on insurance claims, for damage occurring to Town property in the fiscal year 2023, to be allocated to the municipal department whose goods or equipment were damaged, and appropriate any such insurance payment to repair or replace the damaged goods or equipment or act thereon.
